A yellow sticky note with a handwritten diagram illustrating the 'vicious circle' of poverty. The words 'vicious circle' are written in the center. Four arrows form a clockwise loop around this central text, connecting four related concepts: 'wrist strait grow' (top), 'need housing' (right), 'desert paying job' (bottom right), and 'darken zone' (bottom left). The word 'income' is circled and written at the top left, with an arrow pointing from it towards the 'wrist strait grow' text.

How about we take care of our emergency services ~ police asking for another officer. Open borders mean show up using back door to Montana → rural Montana.
